

## Freedom of Information Request

---

**Reference Number:** EPUT.FOI.18.496 (Review)  
**Date Received:** May 2018

---

**\*Note to Applicant:** As of 1 April 2017, North Essex Partnership University NHS Foundation Trust (NEP) and South Essex Partnership University NHS Foundation Trust (SEPT) merged to form one new organisation known as Essex Partnership University NHS Foundation Trust (EPUT).

---

**Review:**

The response states (for Question 2) that the total weight of offensive waste disposed of at landfill between April 2017 and March 2018 was "None".

However, the response also states "No" (for Question 3) when asked whether disposal/treatment methods other than landfill were used.

Therefore, I am confused as to how the offensive waste was treated if it was neither disposed of in landfill, nor by an alternative means?

---

**Response:**

Please accept our sincere apologies for the error in Question 3. The correct answer to Question 3 should be "Yes". All of this waste is incinerated but we unfortunately do not have the detail requested in question 3a.

Once again please accept our apologies for the error.
