Reference Number: EPUT.FOI.18.613
Date Received: 19 June 2018

***Note to Applicant:** As of 1 April 2017, North Essex Partnership University NHS Foundation Trust (NEP) and South Essex Partnership University NHS Foundation Trust (SEPT) merged to form one new organisation known as Essex Partnership University NHS Foundation Trust (EPUT).

- Under the Freedom of Information Act 2000 please provide the data to fill out the table below.

Secondly, please answer the following question:

How is the data collected on emergency readmissions used or analysed to i) prevent emergency readmissions; or ii) improve patient experience?

We look at each patient on an individual basis, and if an individual was seen to be presenting frequently for emergency admissions, there would be a Professionals Meeting held to consider how to best support the person so that crisis admissions could be avoided in the future.

We are looking at a set cohort of frequent attenders to A&E, which is in the process of developing multi agency plans of care for these people so as to provide them with the most appropriate care and treatment when attending A&E to ultimately reduce the likelihood of multiple attendances and improve patient experience.
