

## Freedom of Information Request

Reference Number: EPUT.FOI.18.606  
Date Received: 13 June 2018

**\*Note to Applicant:** As of 1 April 2017, North Essex Partnership University NHS Foundation Trust (NEP) and South Essex Partnership University NHS Foundation Trust (SEPT) merged to form one new organisation known as Essex Partnership University NHS Foundation Trust (EPUT).

The request relates to the total number of patients, bed days and their associated cost who were placed in out of area (private) beds for the financial year 2017/2018. This should relate to either provider of CCG funded activity and exclude specialist placements commissioned by NHS England. I would be grateful if the data could be broken down into CAMHs, adult and older adult split between general needs and PICU for each.

Where you do not provide a service please leave blank.

The data relates to those patients placed in a private out of area bed where the provider had limited or no capacity. The analysis should exclude specialist placements commissioned by NHS England.
