Information Requested:

I noticed that some of your Trust's clinical system contracts are expiring in April. Please see below:

Integration platform- supplier: Mirth
Contract expiry:
2019-04-02

May I ask if it they have a new contract expiration date, what is this date and are they annually renewed?

Please let me know if they are still in use and if not, what supplier systems have replaced them.

Response:

The Mirth support is an annual renewal. The current cycle expires 04/08/2019 and is expected to be renewed.
