

PRESCRIBING STAFF SPECIMEN SIGNATURES

1. Each pharmacy department must be familiar with the signatures of all the prescribers whose prescriptions it may encounter. Specimen signatures are also required in order to check a doctor's countersignature on Controlled Drug Orders*.
2. The Medical Staffing office and/or prescriber should provide the hospital pharmacy departments with a specimen signature form for newly-appointed medical staff. Permanent medical staff and non-medical prescribers should provide a new specimen signature every 2 years, using this form.
3. Please send, by post, or email completed copies of this form to the relevant hospital pharmacy. Non-medical prescribers must also provide a copy to the NMP administrator by emailing to [REDACTED] or sending to The Lodge, (Courier code 34).
4. The pharmacy departments reserve the right to query any unknown signatures and may refuse to dispense a prescription or supply Controlled Drugs if the signature cannot be recognised.

STAMPED - DO NOT USE

* Legislation require that orders to the hospital pharmacy of another organisation for stock supplies of Controlled Drugs must be countersigned by a doctor
