Information Requested:

Thank you very much for your response. Do you have the number of tests performed for the data that you sent?

Response:

The Trust is unable to provide a response as it does not hold this information.

This information is held by 5 external organisations:

- Broomfield Hospital
- Colchester Hospital
- Princess Alexandra Hospital
- Basildon and Southend Hospitals

The only way to collate this information is for you to contact the Laboratories that the Trust sends samples to directly.

In an effort to be helpful the Trust contacted the labs but was advised that the information is not centrally recorded or routinely reported and would require a manual trawl of records or the request of extraordinary permissions to release the information.
