

Freedom of Information Request

Reference Number: [EPUT.FOI.19.1053](#)
Date Received: 25 April 2019

Information Requested:

Please send me:

- The total pipeline of public sector projects involving any aspect of the Built Environment, Construction, Consultancy Services or Professional Services in any capacity;
 - The total value of these projects
 - The expected benefits and high level policy outcomes of these projects;
 - Descriptive information for each of these projects, including location, value, and procuring authority;
 - Descriptive information for any other public sector projects involving any aspect of the Built Environment, Construction, Consultancy Services or Professional Services in any capacity.
-

Response:

Currently the Trust has five key work streams that are only at the feasibility stage which are being looked at in-house, and have not received formal approval regarding scope of works.

The specification has not been developed and the procurement process has not been actioned, therefore the department is unable to provide a value to each of these projects.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk/>
