## Information Requested:

Under the freedom of information, I would like to request information about the ADOS (Autism Diagnostic Observation Schedule) wait list. These are the questions:

1. how many children/young people are on the wait list
  2. how long the wait is likely to be
  3. which professions assess the children/young people (e.g. psychology)
  4. a contact person with regard the ADOS wait list e.g. general manager (email address please)
- 

## Response:

The Essex Partnership University NHS Foundation Trust do not provide/are not currently commissioned to provide ASD diagnostic services for children and young people under 18 years.

Southend University Foundation Trust and North East London Foundation Trust may be able to assist with your queries.

## Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk/>
