

Freedom of Information Request

Reference Number: EPUT.FOI.19.1096
Date Received: 31st May 2019

Information Requested:

Response:

Catheter Labs

1. Could you please outline if TAVI procedures currently conducted in your Trust's cardiac catheter laboratories are (i) currently carried out on designated (or specific) day(s) of the week; if so, (ii) please describe which days have been designated for this purpose
2. With regards to TAVI procedures conducted in your Trust's cardiac catheter laboratories, could you please (i) describe, in average, the number of TAVI interventions per day performed in 2018's calendar year
3. From the pool of patients which undergo interventions in one of your Trust's cardiac catheter laboratories, could you please outline (i) their average length of hospital stay in the following calendar years: (ii) 2016; (iii) 2017; (iv) 2018
4. From the pool of patients which undergo TAVI interventions in one of your Trust's cardiac catheter laboratories, could you please outline (i) their average length of hospital stay in the following calendar years: (ii) 2016; (iii) 2017; (iv) 2018
5. From the pool of patients which undergo PCI/Stent interventions in one of your Trust's cardiac catheter laboratories, could you please outline (i) their average length of hospital stay in the following calendar years: (ii) 2016; (iii) 2017; (iv) 2018
6. Could you please outline details on your Trust's cardiac catheter laboratories (i) total number of staff; the (ii) the number and (iii) type of consultants; including (iv) their medical speciality in the following calendar years: (v) 2016; (vi) 2017; (vii) 2018
7. In regards to the staff responsible of performing TAVI interventions in your Trust's cardiac catheter laboratories, could you please outline (i) the total number of staff; (ii) the number and (iii) type of consultants; including (iv) their medical speciality in the following calendar years: (v) 2016; (vi) 2017; (vii) 2018

Essex Partnership NHS Foundation Trust provides Mental Health and Community Services and therefore is unable to provide information in relation TAVI procedures.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk/>
