

Freedom of Information Request

Reference Number: [EPUT.FOI.19.1140](#)

Date Received: [02 July 2019](#)

Information Requested:

Please provide information on how medical staff at the trust use video conferencing technology to communicate under the Freedom of Information Act 2000.

1. Do you have a video conferencing system for internal communications?

[Yes](#)

1. If yes, are there training programmes in place to ensure your staff can use the video conferencing system?

[Yes, internal training is available if required](#)

2. How do multi-disciplinary teams communicate within the trust?

Telephone-based conference calls

Face to face meetings

Video conferencing

[All of the above](#)

3. Does the trust use the N3 video conferencing overlay service to book and schedule video calls?

[No](#)

4. Will you have completed your transition from the N3 network to the new HSCN by the deadline of September 2019?

[No](#)

5. Does the trust plan to introduce virtual consultations or appointments via video in the near future?

[Yes](#)

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk/publication-documents/>
