

Freedom of Information Request

Reference Number: EPUT.FOI.19.1150

Date Received: 10 July 2019

Information Requested:

Please find attached in the excel document the specific questions that we are requesting information for. Under the Act the seven questions we are looking to find statistics for are the following:

How many cases have attended A&E with suspected carbon monoxide poisoning between 1st July 2018-30th June 2019?

How many cases have been treated in A&E with suspected carbon monoxide poisoning between 1st July 2018-30th June 2019?

How many confirmed deaths have there been as a result of carbon monoxide poisoning between 1st July 2014-30th June 2015?

How many confirmed deaths have there been as a result of carbon monoxide poisoning between 1st July 2015-30th June 2016?

How many confirmed deaths have there been as a result of carbon monoxide poisoning between 1st July 2016-30th June 2017?

How many confirmed deaths have there been as a result of carbon monoxide poisoning between 1st July 2017-30th June 2018?

How many confirmed deaths have there been as a result of carbon monoxide poisoning between 1st July 2018-30th June 2019?

Please provide the information within the tables on the attached spreadsheet and within the age ranges specified.

Response:

Essex Partnership University NHS Foundation Trust (EPUT) provides integrated care including mental health, learning disability, social care and community health services. The Trust does not provide A&E services and is therefore unable to answer your request.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a

guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
