Date Received: 17.07.2019

Information Requested:

I would like to make a Freedom of Information request regarding disabled staff at your trust and reasonable adjustments.

What I would like to request is:

1. The average amount of time it takes from a staff member requesting any reasonable adjustments to the point these are put in place, for example any equipment they may require like a large screen monitor or grab rails. This information should span the last 5 years (from 2014-2019) if reasonably possible.
   The Trust does not hold this information

2. The percentage of those who have additional needs/disabilities who have to take time off work waiting for reasonable adjustments to be put in place and whether this time is paid or unpaid. This information should span the last 5 years (from 2014-2019) if reasonably possible.
The Trust does not hold this information

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme.
