Publication Scheme:

Section 43: Commercial interests

- (1) Information is exempt information if it constitutes a trade secret.
- (2) Information is exempt information if its disclosure under this Act would, or would be likely to; prejudice the commercial interests of any person (including the public authority holding it).
- (3) The duty to confirm or deny does not arise if, or to the extent that, compliance with section 1(1)(a) would, or would be likely to, prejudice the interests mentioned in subsection (2).

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme.
