

Freedom of Information Request

Reference Number: EPUT.FOI.19.1283
Date Received: 22 October 2019

Information Requested:

I am sending this email in the hope that someone will be able to provide me with the Health Visitor Growth/ Infant Feeding policy for the areas in which Essex Partnership University NHS Trust is responsible for. I have looked through the list of policies available on your website, however I can't see one that is applicable to my request.

Response:

We no longer provide this service – it is provided by the relevant County Council direct so we do not have a policy in place.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
