Freedom of Information Request

Reference Number: EPUT.FOI.19.1328
Date Received: 13 November 2019

Information Requested:

I would like to request any documentation you may have on the number of women who have been diagnosed with Endometriosis between 2009 – Present.

To be specific, this can include numbers you may have on:

- The number of patients seeking advice on diagnosis
- The number of patients who have had surgical diagnosis
- The number of patients who have received treatment
- Any numbers you have available on Endometriosis in families and the link between the condition and genetics.

Any information you have on the number of women who have been diagnosed will be a massive help.

Essex Partnership University NHS Foundation Trust is a Mental Health, Learning Disability and Community Services Trust and does not provide Gynaecological Treatment Services.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT’s Publication Scheme is located on its Website at the following link https://eput.nhs.uk
