

Freedom of Information Request

Reference Number: EPUT.FOI.20.1384
Date Received: 06 January 2020

Information Requested:

1. I would like to know the amount of cases in A&E over the last year Jan 01 2019 - Dec 31st 2019, that have involved a person below the age of 10-years-old arriving in A&E at this trust due to having swallowed a foreign object. I would also like this information for the same request and timeframe for 2015, 2016, 2017 and 2018.

Essex Partnership University NHS Foundation Trust is a Mental Health, Learning Disability and Community Services Trust and does not have A&E Departments.

2. I would also like this data in a spreadsheet with cases broken down by date, location, age and gender, if possible. Also, if possible, what the object was that had been swallowed in each case.

Essex Partnership University NHS Foundation Trust is a Mental Health, Learning Disability and Community Services Trust and does not have A&E Departments.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link
