Reference Number: EPUT.FOI.20.1388
Date Received: 08 January 2020

Information Requested:

I am writing to request information on what your guidelines are on managing and treating drug or opiate dependent patients in an acute setting, with specific focus on pain management of said patients. Would we be able to obtain a copy of this?

Response:

The Trust does not provide either service in an acute setting nor services for pain management. The Trust provides community illicit opiate and alcohol services only.
