

## Freedom of Information Request

---

**Reference Number:** EPUT.FOI.20.1474  
**Date Received:** 03 March 2020

---

### Information Requested:

1. Does the Trust have a specialist ADHD service for adults? If yes, can you give details please?
  2. Once a patient is referred to Adult ADHD services, what's the target time for them to be seen for their first assessment?
  3. Once a patient is referred to Adult ADHD services, what is the average time they are on a waiting list before their first assessment?
  4. Can you provide the three longest periods of time a patient spent on the waiting list before their first assessment in 2019 and their gender please.
  5. How many patients are currently on the Adult ADHD services waiting list?
- 

### Response:

The Trust does not have an ADHD service and are therefore not able to calculate waiting times. The Trust however provides ADHD assessments at the request of the commissioners.

---

### Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
