

Freedom of Information Request

Reference Number: EPUT.FOI.20.1549
Date Received: 3rd June 2020

Information Requested:

I am looking for some assistance with your organisation's Spend/Transparency data available on the following weblink:

<https://eput.nhs.uk/about-us/reports-accounts/transparency-of-transactions/>

There appears to be no file available for the month of March 2020.
Could you advise when the file will be made available to view online?
Would it be possible for you to email me a copy of the March 2020 file please and thank you?

Response:

The Trust can confirm that the data has now been uploaded to the Trusts Website and is available at the following link <https://eput.nhs.uk/about-us/reports-accounts/transparency-of-transactions/>

The Trust therefore is applying Section 21 exemption of the Act (Information accessible to applicant by other means).

Applied Exemption:

Section 21 (Information accessible to applicant by other means):

- (1) Information which is reasonably accessible to the applicant otherwise than under section 1 is exempt information.
- (2) For the purposes of subsection (1)—
 - (a) Information may be reasonably accessible to the applicant even though it is accessible only on payment, and
 - (b) Information is to be taken to be reasonably accessible to the applicant if it is information which the public authority or any other person is obliged by or under any enactment to communicate (otherwise than by making the information available for inspection) to members of the public on request, whether free of charge or on payment.
- (3) For the purposes of subsection (1), information which is held by a public authority and does not fall within subsection (2)(b) is not to be regarded as reasonably accessible to the applicant merely because the information is available from the public authority itself on request, unless the information

is made available in accordance with the authority's publication scheme and any payment required is specified in, or determined in accordance with, the scheme.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
