

Freedom of Information Request

Reference Number: EPUT.FOI.20.1556

Date Received: 15th June 2020

Information Requested:

1. Please can you provide me with a list of the number of children who have been treated for eating disorders within the following years 2010 and 2019 and 2020 (so far). To clarify my request, I require the following:

By children, I mean those under the age of 18. Please can you break down my request into the following age categories: - 0-2; 3-5 6-7; 8-9; 10; 11; 12; 13; 14; 15; 16; 17-18

I would like to make it clear that I am not asking for personal information, merely the number of patients who have been treated for eating disorders in each age bracket. To clarify further, by eating disorders, I mean anorexia, bulimia or similar problems.

I would ask that the figures be separately listed for the following time brackets 2010 and 2019 and 2020 (so far).

2. What is the a) average b) longest wait that a patient has had for their first session of treatment using the years above? For b, if possible, can you outline the reasons and the year please.
3. Can you tell me how many patients waited more than 6 months and a year for their treatment during the years 2010 and 2019 and 2020 (so far).
4. What was the average number of sessions received by patients in 2010 and 2019 and 2020 (so far) broken down by the following diagnoses: anorexia nervosa, bulimia nervosa, BED and OSFED?
5. What was your budget for eating disorders for each of the years above?
6. What was spent on average per patient over each of those years? Can you break it down year on year please?

Clarification from Applicant:

This request relates to Children only

Response:

The Trust does not provide this service to Children as it is an Adult only Service.
