

Freedom of Information Request

Reference Number: EPUT.FOI.20.1696
Date Received: 14th October 2020

Information Requested:

I write to request some figures under the Freedom of Information Act. I would like to know, for each of 2014, 2015, 2016, 2017, 2018 and 2019, the following:

1. How many male patients were admitted to your hospitals having suffered a heart attack
 2. How many female patients were admitted to your hospitals having suffered a heart attack
 3. How many of those male patients subsequently passed away as the result of that heart attack?
 4. How many of those female patients subsequently passed away as the result of that heart attack?
-

Response:

Essex Partnership University NHS Foundation Trust is a Mental Health, Learning Disability and Community Services Trust and does not treat heart attack patients

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
