

Freedom of Information Request

Reference Number: [EPUT.FOI.20.1698](#)
Date Received: [15th October 2020](#)

Information Requested:

1. I would like to know how many Covid-19 related capital bids have been approved centrally since March 17 and was hoping you could answer a few questions. I've attached a spreadsheet with questions that should make it easy to record each of the bids your Trust has submitted. I've included an example in the spreadsheet.

To avoid confusion, Covid-19 related capital refers to bids submitted in respect of the Covid-19 capital expenditure scheme [Link](#). All other types of capital bids should not be included.

[Please see attached](#)

2. In addition can you please tell me:
 - a. The total value of your Covid-19-related capital bids
[£21k](#)
 - b. The total in funding you've received for Covi-19-related capital bids
[£nil](#)
 - c. How many bids you have made and how many are awaiting central approval

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>

Capital request (provide as much detail as you can)	Submission date	Estimated value	Has it been approved regionally?	Has it been approved centrally?	When did you receive capital funds and how much?
