

Freedom of Information Request

Reference Number: [EPUT.FOI.1688](#)
Date Received: [12th October 2020](#)

Information Requested:

We are validating and checking the healthcare IT systems at your Trust. Can you review the attached spreadsheet of systems we have recorded for your Trust and correct any mistakes, omissions or changes? We would like to check that we have the correct supplier name, system name, date of installation and contract expiration date recorded for your trust's IT systems. Please could you also validate if the IT system is annually renewed or not?

Response:

[Please see attached](#)

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>

Essex Partnership University NHS Foundation Trust		We request that you confirm the name of the supplier, system name, installation date and expiration date. However, if your trust does not offer a particular service, such as maternity, then please enter "no department offered". Similarly, if you provide the service but do not have a system in place please enter "no system installed".
