

Freedom of Information Request

Reference Number: EPUT.FOI.21.1807

Date Received: 14th January 2021

Information Requested:

1. Is dermatological surgery (skin surgery including e.g. punch biopsies and excisions) carried out routinely at your trust under Dermatology?
 2. If so, is consent undertaken for these using either of:
 - a. Dermatology-specific consent form or procedure-specific consent forms pre-filled with a list of benefits and complications specific to either skin procedures in general, or the skin procedure being carried out?
 - b. Pre-filled consent labels specifying the risks/benefits attached to the Trust generic consent form?
 3. If either a Dermatology or procedure specific consent form, or a pre-filled consent label is being used, please could you supply me with a copy? In the case of different procedure-specific consent forms used within skin surgery, please could you provide a copy of each form for each procedure?
-

Response:

Essex Partnership University NHS Foundation Trust is a Mental Health, Learning Disability and Community Services Trust and does not provide Dermatology Services

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
