

Freedom of Information Request

Reference Number: [EPUT.FOI.21.1840](#)
Date Received: [28th January 2021](#)

Information Requested:

Please can I see all records of ANY air conditioning work carried out at Western House in Stansted. Even if this was done by the Landlord you should have records as the occupier of the building.

Response:

The lease for Western House was assigned in late 2018 to a new landlord. However the lease terms remain unchanged and the obligation to maintain would have transferred to the new landlord at that time.

The landlord is responsible for maintaining the equipment and this obligation would have transferred to them along with previous maintenance records at the time of assignment. The managing agent for Western House Brasier Freeth LLP enquiries@brasierfreeth.com
