

## Contact Details and Referral Info

West Essex Adult Community Speech and Language Therapy Team  
Epping Forest Unit, St. Margaret's Hospital, The Plain, Epping, CM16 6TN  
Tel: [REDACTED]  
Email: [REDACTED]

We accept referrals for patients over 18 years of age who are registered with a West Essex CCG GP and have an acquired (or suspected acquired) swallowing or communication impairment. This generally does not include patients with a registered learning disability who are unable to access our service due to their learning disability.

Referrals can be made using our referral form, attached here, and emailed or posted to us or via the Single Point of Access (SPA) route using the SPA referral form.
