

Freedom of Information Request

Reference Number: EPUT.FOI.21.1978
Date Received: LEGAL TEAM

Information Requested:

Copy of the last asbestos report held by EPUT for all the buildings at Runwell Hospital

Response:

The Trust is unable to provide this information as it is not held electronically. To collate this information would require a manual trawl of more than 130 off site records. The Trust believes that this would exceed the time and cost limits, as set out in the Act and is therefore applying Section 12 of the Act (where cost of compliance exceeds appropriate limit).

Applied Exemption:

Section 12 (Exemption where cost of compliance exceeds appropriate limit):

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.
 - (2) Subsection (1) does not exempt the public authority from its obligation to comply with paragraph (a) of section 1(1) unless the estimated cost of complying with that paragraph alone would exceed the appropriate limit.
 - (3) In subsections (1) and (2) “the appropriate limit” means such amount as may be prescribed, and different amounts may be prescribed in relation to different cases.
 - (4) The Secretary of State may by regulations provide that, in such circumstances as may be prescribed, where two or more requests for information are made to a public authority—
 - (a) by one person, or
 - (b) by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign, the estimated cost of complying with any of the requests is to be taken to be the estimated total cost of complying with all of them
 - (5) The Secretary of State may by regulations make provision for the purposes of this section as to the costs to be estimated and as to the manner in which they are to be estimated
-
