### Information Requested:

I have looked at your website and whilst you have some policies published, I have been unable to find the ones I require.

1. Your seclusion policy
2. An equality impact assessment associated with your seclusion policy. Please state if you do not have this documentation in place
3. Your physical restraint policy
4. An equality impact assessment associated with your physical restraint policy. Please state if you do not have this documentation in place

You may have alternative names for these policies, or consider these as part of another broader policy. In these cases please provide the policies which reflect the matters of seclusion and physical restraint respectively.

### Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
