

Freedom of Information Request

Reference Number: [EPUT.FOI.23.2793](#)
Date Received: [12 January 2023](#)

Information Requested:

I would like to make a new request under FOI. I would like to have the same data for 2022/23 so far please. Could you also send me the same data for the whole of 2021/22 if you only provided a proportion of the year's data last time?

1. Please can you tell me how many deaths among patients with learning disabilities the trust has recorded in the following years

[22/03/03/2021 – 01/04/2022](#)

[37. For context many patients with learning difficulties also have complex health needs and these figures reflex high incidents of Covid19 infections.](#)

[01/04/2022 – 12/01/2023](#)

[6](#)

2. Please can you tell me how many of these deaths among patients with learning disabilities were categorised as Serious Incidents? Please provide the total number for each year.

[The Trust no longer operates within the Serious Incidents framework having been an early adopter of Patient Safety Incident Response Framework in May \(PSIRF\).](#)

[2021 PSIRF allows for incident investigation and system based learning across the organisation and is the approach being adopted across the NHS.](#)

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
