

Freedom of Information Request

Reference Number: [EPUT.FOI.23.3241](#)
Date Received: [17th of November 2023](#)

Information Requested:

Please can I request the following information under the Freedom of Information Act?
Please contact me if you have any questions.

1. Please advise what software/systems you use for managing medical devices to be compliant with MHRA Guidance Jan 2021? See link Safeguarding public health (publishing.service.gov.uk)

[The Trust currently has access to eQuip \(which is hosted, maintained and updated by our sub-contracted medical device maintenance provider-Ergea\)](#)

2. If applicable, how long is the contract and when does it expire (month and year)?
[The existing medical device maintenance provider contract \(which includes the eQuip provision\) is due to expire on December 31st 2024.](#)

3. What is the annual budget for the system listed in response to question 1?
[We are unable to provide the budget in relation to the costing for eQuip as this is all part of the medical device maintenance provider contract package, which includes additional services.](#)

4. Please advise on the name and contact for the person responsible for ensuring compliance with the MHRA guidance quoted above.
[In an effort to ensure that the Trust does not receive unsolicited communications and/or any potential malicious malware, the Trust does not routinely publish the names or contact details of staff other than those publicly available through our Trust website.](#)

[Any staff details disclosed will be at senior level only and should not be used for the purpose of unsolicited communications or marketing purposes \(in accordance with The Privacy and Electronic Communication Regulations, PECR\) as well as ICO \(Information Commissioner's Office\) guidance.](#)

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
