

Freedom of Information Request

Reference Number: EPUT.FOI.23.3035
Date Received: 27th of June 2023

Information Requested:

Under the Freedom of Information Act, please provide me with the following information:

1. The ten oldest repair requests submitted which await completion. Please provide the date the request was logged, the description of the fault and the location of the fault (e.g. which ward was it on). Please also break down by hospital.

We can neither confirm nor deny whether some of the information you have requested is held by the Trust in its entirety. This is because the information requested is not held in an easily retrievable format, but may be recorded in individual records. In order to confirm whether this information is held we would therefore have to individually access all repair records within the Trust and extract the information where it is present. We therefore estimate that complying with your request is exempt under section 12 of the FOI Act: cost of compliance is excessive. The section 12 exemption applies when it is estimated a request will take in excess of 18 hours to complete. We estimate that accessing and reviewing all repair records and then extracting relevant information would take longer than the 18 hours allowed for.

2. A list of all repair requests made since January 1, 2021. Please provide the date the request was logged, the description of the fault and the location of the fault (e.g. which ward was it on). Please also break down by hospital.

See response to question 1.

Section 12 (Exemption where cost of compliance exceeds appropriate limit):

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.
- (2) Subsection (1) does not exempt the public authority from its obligation to comply with paragraph (a) of section 1(1) unless the estimated cost of complying with that paragraph alone would exceed the appropriate limit.
- (3) In subsections (1) and (2) “the appropriate limit” means such amount as may be prescribed, and different amounts may be prescribed in relation to different cases.
- (4) The Secretary of State may by regulations provide that, in such circumstances as may be prescribed, where two or more requests for information are made to a public authority—
 - (a) by one person, or

- (b) by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign, the estimated cost of complying with any of the requests is to be taken to be the estimated total cost of complying with all of them.

- (5) The Secretary of State may by regulations make provision for the purposes of this section as to the costs to be estimated and as to the manner in which they are to be estimated
