

Freedom of Information Request

Reference Number: EPUT.FOI.23.3021
Date Received: 16th of June 2023

Information Requested:

1. For each year (2020 – 2022), please confirm how many cyberattacks your Trust has suffered?

This information is exempt under Section 31 (1a) of the Freedom of Information Act as disclosure would, or would be likely to, prejudice the prevention or detection of crime. Essex Partnership NHS Foundation Trust believe that releasing this information would enable cyber criminals to identify and take advantage of any weaknesses within the security of trust services. This would put patient & trust information at risk, including clinical, financial, and sensitive personal data. We therefore apply section 31(1)(a). Section 31 is a qualified exemption, so we have considered the public interest, but we believe that on this occasion the risk to data outweighs the public interest in cyber security concerns.
