

Freedom of Information Request

Reference Number: EPUT.FOI.22.2744
Date Received: 8th of December 2022

Information Requested:

1. Please can you provide a copy of EPUT's policy on the use of Oxevision cameras on your psychiatric wards.
Please find attached a copy of the standard operating procedure for the use of Oxehealth Oxevision which is shared with all wards where this assistive technology is installed
2. Please can you provide a copy of patient consent forms for the use of Oxevision cameras in your psychiatric inpatient rooms.
The system is used under implicit consent from the patient upon admission to a ward where this assistive technology is installed – see pages 7 & 8 of the attached standard operating procedure.
3. Please can you provide a copy of EPUT's patient consent policy for the use of Oxevision cameras for psychiatric patients.
This system is used under implicit consent from the patient upon admission to a ward where this assistive technology is installed – see appendix 1 (page 13) of the attached standard operating procedure.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
