Information Requested:

I am writing to you under the Freedom of Information Act 2000 to request the following information from Essex Partnership University NHS Foundation Trust. Please may you provide me with:

The composition of your (adult) cardiac arrest team with the following:

- Job title of teams members / grade or seniority (if known) / expected role

For example,

- Medical Registrar / ST3 / Team Leadership
- Anaesthetist / Senior Registrar / Airway support

Essex Partnership University Trust is a Mental Health Trust, we do not have a cardiac arrest team. We do not have any hospitals within our Trust, our services are provided in care units and out in the community.

EPUT does have specific training for staff, this is detailed in the Cardiopulmonary Resuscitation (CPR) Procedure. The purpose of this procedure is to ensure prompt, safe, early and appropriate cardiopulmonary resuscitation (CPR) within Essex Partnership University NHS Foundation Trust (EPUT). This procedure incorporates the current resuscitation guidelines, as published by the Resuscitation Council (UK), in 2021.
