

Freedom of Information Request

Reference Number: [EPUT.FOI.24.3310](#)
Date Received: [11th of January 2024](#)

Information Requested:

I am writing to request information under the Freedom of Information Act 2000 regarding workforce contracts for Medical (doctors), Nursing, Allied Health Professionals (AHP), and bank staff.

1. Could you please furnish details of the current provider(s) for each workforce category along with their respective contract expiry dates and the contract owner? To confirm, I am requesting information specifically where the trust has an existing “master vendor”, “bank” or “managed service provider (MSP)” contract.

To facilitate the process, please use the following format:

Workforce Category	Provider Name	Contract Expiry	Responsible Manager
Medical (Doctors)	In House Managed	N/A	<p>In an effort to ensure that the Trust does not receive unsolicited communications and/or any potential malicious malware, the Trust does not routinely publish the names or contact details of staff other than those publicly available through our Trust website.</p> <p>Any staff details disclosed will be at senior level only and should not be used for the purpose of unsolicited communications or marketing purposes (in accordance with The Privacy and Electronic Communication Regulations, PECR) as well as ICO (Information Commissioner’s Office) guidance.</p>
Nursing	In House Managed	N/A	
Allied Health Professionals	In House Managed	N/A	
Bank Staffing	In House Managed	N/A	

Please adjust the template as necessary if your trust employs a different term or type of staff under these categories. If any details are not applicable or unavailable, please mark them as "N/A."

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
