

Freedom of Information Request

Reference Number: [EPUT.FOI.22.2502](#)
Date Received: [17 May 2022](#)

Information Requested:

During the calendar year 2021:

- 1) How many official complaints and PALS concerns your Trust received from patients alleging they had been discriminated against or badly treated by a member of staff because of their being overweight or obese

Please do this by searching for complaints containing any of the words "weight", "fat", "obese", "overweight" and "bariatric" and filtering these to find those that refer to allegedly fat-shaming comments or actions made by a member of staff.

[There are no complaints or PALS concerns of this nature reported in 2021.](#)

- 2) Can you select the first five such complaints from 2021 and provide me with the following details:
 - a. What type of staff member was the complaint levelled against? E.g. healthcare assistant, junior doctor, consultant, cleaner, kitchen staff
 - b. Please quote the words allegedly used by the hospital staff or summarise the offending action
 - c. Please tell me what, if any, action was taken by your trust in response to these five sample complaints from the beginning of 2021

[There are no complaints or PALS concerns of this nature reported in 2021.](#)

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation. EPUT's Publication Scheme is located on its Website at the following link <https://eput.nhs.uk>
